I made a detrimental mistake of letting my old one die but were back and better than ever

Thanks for joining me on the glorious journey that was this video, subscribe so I don't have to go to

Just say "YouTube I hope you stop living" that's not a threat, that's a wish. If they gave you a strike for that then they would be giving you a strike for no reason since it's what YOU hope not what everyone else hopes. They will be giving you a strike for your opinion is what I'm saying.
ttle way to troll them
